

## **THANK YOU AMERICA**

We express our deep gratitude to the American People and the Congress for the decades of support you have extended to His Holiness the Dalai Lama and the people of Tibet in our struggle for freedom and human rights.

Tibetans around the world were deeply moved by America's recognition of His Holiness the Dalai Lama when he was awarded the Congressional Gold Medal of Honor in 2007.

At this time, the Tibetan people are going through the darkest time in our history. The Chinese Government has put Tibet under virtual martial law and imposed a media blackout. Hundreds of innocent Tibetans have been killed since last spring, thousands have been imprisoned and tortured, and thousands have disappeared.

Yet Tibetans are risking everything to speak out for freedom.

We thank you for your continued support of the Tibetan cause.
